PROFILE

Hi, I am Rômulo Sandri, Senior Product Designer based in Palmas, Brazil. I design, write code, and ship products people actually use, from the first conversation to the last pixel. 8+ years across product design, design systems, and front-end.

EXPERIENCE

Founder Bunnyhop 2026 – Present · Remote

- Designing and implementing a large web design system in Figma and React
- Library of 300 colour palettes and hundreds of motion-ready website sections

Workshop Instructor Andela 2026 · Remote

- Authored all workshop content, exercises, and brand

Co-founder and Chief Product Officer Pacelane 2025 – 2026 · Remote

- Co-founded the company with two others after research with dozens of founders
- Owned product strategy, brand, and the full design system

Founder Fotospin 2025 – Present · Remote

- Reached 7,000 downloads and \$2,000 in revenue in 6 months
- Shipped as a solo founder: brand, Flutter on iOS and Android, Supabase and Fal.ai

Senior Product Designer Meltwater 2024 – 2025 · Remote

- Designed universal filters now used across all 19 Meltwater products
- Added AI insights to Insight Reports

Founder Spiine 2024 · Remote

- Shipped to the App Store as a solo founder
- Built brand, product, Flutter iOS app, and a Supabase back-end

Product Designer and Front-End Developer Freelance 2023 – Present · Remote

- Shipped production pages in React and Flutter across multiple clients
- Designed Gemhaus, a fractional real-estate investment product, from zero to one across mobile and web

Product Designer WANDR 2022 – 2023 · Remote — Los Angeles, United States

- Led the Cinépolis mobile app redesign for the third-largest cinema chain in the world
- Created the programme used to train junior designers joining the company
